We request a proposal from your firm for the West Point Treatment Plant Waste-To-Energy Project. We are accepting quotes for the following services/supplies: *Demolition, Lead Abatement, Micro Piling, Structural Concrete, Structural and Miscellaneous Steel, Electrical, Mechanical, Masonry, Painting, Reinforcing Bar, Doors/hardware, Glazing, Interior Finishes, Roofing, Joint Sealants and Miscellaneous.*

Subcontractors and suppliers can access plans and specifications at our online partition at the Builders Exchange website: (www.bxwa.com), Posted Projects, General Contractor Project Areas, Washington, Kiewit Pacific-Renton, Projects Bidding, I Agree, username – kiewit, password – kpc).

In order to assist certified MBE/WBE/8A subcontractors and suppliers, we will divide total requirements into smaller tasks or quantities and establish delivery and construction schedules which will permit maximum participation of disadvantaged businesses where feasible.

All subcontractors and material suppliers are required to execute our standard "Subcontract Agreement"/"Material Contract". We require 100% Performance and Payment, or Supply Bonds. If you have questions regarding these contract agreements, please contact us for a copy.

*8a firms must be licensed to perform work in the State of Washington
